Foreword	3
Brief methodological notes and commentaries	10

1. RETAIL TRADE AND CATERING ENTERPRISES

Retail trade turnover through all channels of sales in the Commonwealth countries ...	37
Structure of retail trade turnover	39
Retail trade turnover by channels of sales	42
Distribution of retail trade turnover by type of ownership	44
Retail trade turnover through all channels of sales counted at average year courses of national currencies to the Russian rouble, US dollar and to euro	45
Retail trade turnover through all channels of sales per capita counted at average year courses of national currencies to the Russian rouble, US dollar and to euro	46
Commodity structure of retail trade turnover through all channels of sales in the Commonwealth countries	47
Volume indices of retail trade turnover through all channels of sales	57
Growth rates of retail trade turnover	58
Volume indices of retail trade turnover by channels of sales	62
Volume indices of retail trade turnover of main foodstuffs and non-food goods through all channels of sales in the Commonwealth countries.....	63
Sale of some consumer durables through all sales channels.....	73
Change commodity stocks in the retail trade organizations in the Commonwealth countries.....	75
Turnover of catering enterprises through all channels of sales.....	76
Distribution of catering enterprises by type of ownership in the Commonwealth countries.....	77
Volume indices of catering enterprises turnover through all channels of sales.....	78
Composition of Consumer expenditure of household.....	79
Consumption of main food products per capita	81
Provision of population with household durables	81

2. MARKET SERVICES TO POPULATION

Market services rendered to population through all channels of sales in some countries of the CIS.....	89
Distribution of market services to population by type of ownership in some countries of the Commonwealth	90
Market services rendered to population through all channels of sales counted at average year courses of national currencies to the Russian rouble, us dollar and to euro	91
Market services rendered to population through all channels of sales per capita counted at average year courses of national currencies to the Russian rouble, us dollar and to euro.....	92
Structure of market services to population through all channels of sales in some countries of the Commonwealth	93
Volume indices of market services to population through all channels of sales	97
Growth rates of market services to population	99
Volume indices of main kinds of market services to population through all channels of sales in some countries of the Commonwealth.....	102
Everyday services rendered to population through all channels of sales in some countries of the CIS.....	105
Everyday services rendered to population through all channels of sales counted at average year courses of national currencies to the Russian rouble, us dollar and to euro	106
Everyday services rendered to population through all channels of sales per capita counted at average year courses of national currencies to the Russian rouble, us dollar and to euro.....	107
Structure of volume of everyday services to population through all channels of sales in some countries of the Commonwealth	108
Volume indices of everyday services to population through all channels of sales	111
Volume indices of main kinds of everyday services to population through all channels of sales in some countries of the Commonwealth	112

3. PRICES AND PRICE INDICES

Consumer price indices for goods and services	117
Consumer price indices for foodstuffs, non-food goods and services.....	118
Average consumer prices of selected goods registered in trade network of the capitals of the Commonwealth countries as of the end of 2010.....	120
Changes in average consumer prices for selected food products in the capitals of the Commonwealth	128
Ratio of consumer prices for selected foodstuffs with the prices of beef in the capitals of the Commonwealth countries at the end of December 2000, 2005, 2008- 2010	135
Purchasing power of population of the capitals of selected countries of the Commonwealth in purchase of some foodstuffs for amount of average wage	139

4. BURSES ACTIVITIES

Main indicators of burses activities of the Commonwealth countries.....	145
Types of transactions of burses.....	146

5. EXCHANGE RATES OF NATIONAL CURRENCIES

Exchange rates of national currencies	149
---	-----

**6. MAIN INDICATORS OF TRADE DEVELOPMENT
AND MARKET SERVICES TO POPULATION IN THE
COMMONWEALTH COUNTRIES**

Azerbaijan

Main indicators of trade development.....	155
Distribution of retail trade and catering enterprises by type of ownership	157
Volume of retail trade turnover by type of ownership.....	158
Volume indices of retail trade turnover and catering enterprises.....	159
Commodity structure of retail trade turnover	160
Sales of main durables.....	163
Volume indices of retail trade turnover of main foodstuffs and non-food goods	164
Consumer price indices for main foodstuffs and non-food goods.....	166
Average consumer prices of selected goods registered in trade network of Baku city as of the end of the year	167
Main indicators of development of market services to population	169
Volume indices of market services to population	169
Distribution of market services to population by type of ownership.....	170
Distribution of enterprises rendering everyday services by type of ownership.....	170
Structure of market services to population by type	172
Structure of volume of everyday services to population by type	173
Volume of market services to population, per capita	174
Volume of everyday services to population, per capita	175
Volume indices of main kinds of market services to population	176
Volume indices of main kinds of everyday services to population	177
Consumer price indices for selected market services.....	178
Main indicators of burses activities.....	179

Armenia

Main indicators of trade development	183
Volume indices of retail trade turnover and catering enterprises	185
Commodity structure of retail trade turnover.....	186
Sales of main durables	189
Volume indices of retail trade turnover of main foodstuffs and non-food goods.....	190
Consumer price indices for main foodstuffs and non-food goods	192
Average consumer prices of selected goods registered in trade network of Yerevan city as of the end of the year.....	193
Main indicators of development of market services to population.....	195
Volume indices of market services to population.....	195
Structure of market services to population by type.....	196
Structure of volume of everyday services to population by type.....	197
Volume of market services to population, per capita	198
Volume of everyday services to population, per capita.....	199
Volume indices of main kinds of market services to population	200
Volume indices of main kinds of everyday services to population.....	201
Consumer price indices for selected market services	202
Main indicators of burses activities	203

Belarus

Main indicators of trade development	207
Distribution of retail trade and catering enterprises by type of ownership.....	209
Volume of retail trade turnover by type of ownership	210
Volume indices of retail trade turnover and catering enterprises	211
Commodity structure of retail trade turnover.....	212
Sales of main durables	214
Volume indices of retail trade turnover of main foodstuffs and non-food goods.....	215
Consumer price indices for main foodstuffs and non-food goods	217
Average consumer prices of selected goods registered in trade network of Minsk city as of the end of the year.....	218
Main indicators of development of market services to population.....	220

	<i>Page</i>
Volume indices of market services to population	220
Distribution of market services to population by type of ownership.....	221
Distribution of enterprises rendering everyday services by type of ownership.....	221
Structure of market services to population by type	223
Structure of volume of everyday services to population by type	224
Volume of market services to population, per capita	225
Volume of everyday services to population, per capita	226
Volume indices of main kinds of market services to population	227
Volume indices of main kinds of everyday services to population	228
Consumer price indices for selected market services.....	229

Kazakhstan

Main indicators of trade development.....	233
Distribution of retail trade and catering enterprises by type of ownership	235
Volume of retail trade turnover by type of ownership.....	236
Volume indices of retail trade turnover and catering enterprises.....	237
Commodity structure of retail trade turnover	238
Sales of main durables.....	241
Volume indices of retail trade turnover of main foodstuffs and non-food goods	242
Consumer price indices for main foodstuffs and non-food goods.....	244
Average consumer prices of selected goods registered in trade network of Astana city as of the end of the year	245
Consumer price indices for selected market services.....	247
Main indicators of burses activities.....	248

Kyrgyzstan

Main indicators of trade development.....	251
Distribution of retail trade and catering enterprises by type of ownership	252
Volume of retail trade turnover by type of ownership.....	253
Volume indices of retail trade turnover and catering enterprises.....	254
Commodity structure of retail trade turnover	255
Sales of main durables.....	258
Volume indices of retail trade turnover of main foodstuffs and non-food goods	259

Consumer price indices for main foodstuffs and non-food goods	261
Average consumer prices of selected goods registered in trade network of Bishkek city as of the end of the year.....	262
Main indicators of development of market services to population.....	264
Volume indices of market services to population.....	264
Distribution of market services to population by type of ownership	265
Structure of market services to population by type.....	266
Structure of volume of everyday services to population by type.....	267
Volume of market services to population, per capita	268
Volume of everyday services to population, per capita.....	269
Volume indices of main kinds of market services to population	270
Volume indices of main kinds of everyday services to population.....	271
Consumer price indices for selected market services	272
Main indicators of burses activities	273

Moldova

Main indicators of trade development	277
Distribution of retail trade enterprises by type of ownership	278
Volume of retail trade turnover of trading organization by type of ownership.....	279
Volume indices of retail trade turnover	280
Commodity structure of retail trade turnover of trading organizations.....	281
Consumer price indices for main foodstuffs and non-food goods	284
Main indicators of development of market services to population.....	285
Volume indices of market services to population.....	285
Distribution of market services to population by enterprises by type of ownership	286
Structure of market services rendered to population by enterprises by type.....	287
Volume of market services rendered to population by enterprises, per capita.....	288
Volume indices of main kinds of market services to population by enterprises	289
Consumer price indices for selected market services	290

Russia

Main indicators of trade development.....	293
Trading network of retail	294
Volume of retail trade turnover by type of ownership.....	295
Volume indices of retail trade turnover and catering enterprises.....	296
Commodity structure of retail trade turnover	297
Sales of main durables.....	300
Volume indices of retail trade turnover of main foodstuffs and non-food goods	301
Consumer price indices for main foodstuffs and non-food goods.....	303
Average consumer prices of selected goods registered in trade network of Moscow city as of the end of the year	304
Main indicators of development of market services to population	306
Volume indices of market services to population	306
Distribution of market services to population by type of ownership.....	307
Structure of market services to population by type	308
Structure of volume of everyday services to population by type	309
Volume of market services to population, per capita.....	310
Volume of everyday services to population, per capita	311
Volume indices of main kinds of market services to population	312
Volume indices of main kinds of everyday services to population	313
Consumer price indices for selected market services.....	314
Main indicators commodity and raw materials of burses activities.....	315

Tajikistan

Main indicators of trade development	319
Distribution of retail trade and catering enterprises by type of ownership	321
Volume of retail trade turnover by type of ownership	322
Volume indices of retail trade turnover and catering enterprises	323
Commodity structure of retail trade turnover.....	324
Sales of main durables	327
Volume indices of retail trade turnover of main foodstuffs and non-food goods.....	328
Consumer price indices for main foodstuffs and non-food goods.....	330
Average consumer prices of selected goods registered in trade network of Dushanbe city as of the end of the year.....	331
Main indicators of development of market services to population.....	333
Volume indices of market services to population.....	333
Distribution of market services to population by type of ownership	334
Distribution of enterprises rendering everyday services by type of ownership	334
Structure of market services to population by type.....	336
Structure of volume of everyday services to population by type.....	337
Volume of market services to population, per capita	338
Volume of everyday services to population, per capita.....	339
Volume indices of main kinds of market services to population	340
Volume indices of main kinds of everyday services to population.....	341
Consumer price indices for selected market services	342
Main indicators of burses activities.....	343

Uzbekistan

Main indicators of trade development	347
Volume of retail trade turnover by type of ownership	348
Volume indices of retail trade turnover and catering enterprises	349
Commodity structure of retail trade turnover.....	350
Main indicators of development of market services to population.....	350
Volume indices of market services to population.....	351
Distribution of market services to population by type of ownership	351

Ukraine

Main indicators of trade development.....	355
Volume indices of retail trade turnover and catering enterprises.....	357
Commodity structure of retail trade turnover	358
Sales of main durables by trading organizations	361
Volume indices of retail trade turnover of trade organization on main foodstuffs and non-food goods.....	362
Consumer price indices for main foodstuffs and non-food goods.....	364
Consumer price indices for selected market services.....	365
Main indicators of burses activities.....	366

7. INTERNATIONAL COMPARISONS

Volume indices of retail trade turnover in the countries of the world	369
Dynamics of consumer prices in the countries of the world.....	371
